Editorial Preface

Greetings,

The editors would like to express their deepest gratitude to the authors who have submitted their articles to this edition of Inspiration Journal of Industrial Engineering (IJIE). In addition, we would also like to thank the editors and reviewers who have contributed to the publication of this edition. Inspiration Journal of Industrial Engineering (IJIE) Vol. 1 No. 1 consists of some articles submitted by authors. It is an honour for us to gain the trust of various authors.

The editors always strive to improve the quality of the Inspiration Journal of Industrial Engineering (IJIE). The Inspiration Journal of Industrial Engineering (IJIE) is a journal accredited by the Directorate General of Higher Education with a Google Scholar rating. Therefore, the editors strive to improve the IJIE ranking. We are also in the process of adding indexing such as DOAJ and ICI Copernicus. One of the efforts made by the editors is to add editorial board members from abroad. We are also increasing the number of international reviewers to improve the quality of the articles submitted. The next edition of IJIE will be published in May 2025. We always accept constructive criticism and suggestions to improve the quality of IJIE.

Sincerely,

The editors
